RESPONSE TO SECOND RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Restriction Requirement mailed on November 16, 2005, Applicant hereby elects the invention of Group I for claims 197-284. Applicant traverses the restriction requirement on the basis that the claims of the present application require common areas of search and consideration. Since no serious burden exists for search and examination of the two groups defined in the outstanding office action, no benefit is derived from imposing restriction among the two groups. Therefore, the restriction requirement should be withdrawn.

In view of all of the foregoing, Applicant submits this case is in condition for allowance and such allowance is earnestly solicited.

Respectfully submitted,

Date: December 2, 2005

Gunnar G. Leinberg
